

If K-LOVE were displaced by an LPFM broadcaster, the personal as well as public impact in the Memphis community would be paramount. It is essential that this radio station not be displaced by an LPFM broadcaster. There is no other station in this area that plays the music and serves the community as does this one. K-LOVE informs me of both local as well as national events. Also, there are no other Christian LISTENER supported radio stations in this community. In fact, there is other Christian station. As both a financial supporter of KLOVE as well as a taxpayer, I strongly protest the displacement of my radio station by an LPFM broadcaster that would provide other programming!!
